Razor blade, let it wave
Shoot them down to their graves, yeah

Spread the news for all to hear
We've come to fight, let's make that clear
You push too hard, you're gonna fall
We got fifty million rockers, we're all on guard, yeah!

We don't like it
(Oh, no)
We can make it stop
(Oh, yeah)
We won't take it
(C'mon)
Let it rock

You in the middle east, you be on your toes
We're bound to strike, everybody knows
Just tell your friends, the USSR
We're gonna, we're gonna crash that party
'Cause they've gone too far, yeah!

We don't like it
(Oh, no)
We can make it stop
(Oh, yeah)
We won't take it
(Uh)
Let it rock

When we're together, we're the best
We think as one, there's no contest
We've got the power, they know the score
We'll get so strong there'll be no war

Yeah
We don't like it
(Oh, no)
We won't take it
(Oh, no, no, no, no, no, no, no, no, no)
We don't like it
We won't take it

Yeah

VOA, the voice of America
VOA, the voice of America
VOA, the voice of America
VOA, the voice of America, yeah
Watch it

And when I'm talkin', you'd better listen
Hey
