I don't mind when you act your age
It suits me fine that you treat me like a child.
And I can't deny when I'm with you
That you step outside of all those fears locked up
inside.
Your love is driving me crazy
Your love just takes me away.
Your love is driving me crazy.
It takes me all the way.
What I like is what you've got to offer.
Just my type, I don't mind playing on the edge.
Your love is driving me crazy
Your love just takes me away.
Your love is driving me crazy.
It takes me all the way.
Lead me to forbidden doors
You know I'm yours
Yea, you've got it, yeah, I want it.
Don't you know it baby?
Right on time a tight fit right on the money.
So sublime, hot, sweet cherries on the vine.
Your love is driving me crazy
Your love just takes me away.
Your love is driving me crazy.
It takes me all the way.
Yea.
Your love is driving me crazy
Your love just takes me away.
Your love is driving me crazy.
Your love just takes me away.
Oh, yea.
Your love, your love
Your love just takes me away.
Your love, your love
Your love just takes me away.
