Your world turns black and white
Your pictures in an empty room
Your love starts fallin' down
Better change your tune

Yeah, you reach for the golden ring
You reach for the sky
Just spread your wings

We'll get higher and higher
Straight up we'll climb
We'll get higher and higher
Leave it all behind

Run, run, run away
Like a train runnin' off the track
The truth get's left behind
Falls between the cracks

Standin' on broken dreams
Never losin' sight, ah
Well just spread your wings

We'll get higher and higher
Straight up we'll climb
higher and higher
Leave it all behind

So baby dry your eyes
Save all the tears you've cried
Oh, that's what dreams are made of
Maybe we belong in a world that must be strong
Oh, that's what dreams are made of

Yeah, we'll get higher and higher
Straight up we'll climb
We'll get higher and higher
Leave it all behind
Oh, we'll get higher and higher
Who knows what we'll find?

So baby dry your eyes

Save all the tears you've cried
Oh, that's what dreams are made of
Oh baby, we belong in a world that must be strong
Oh, that's what dreams are made of

And in the end on dreams we will depend
'Cause that's what love is made of
And in my dreams, right now
We always got our dreams
