Everybody's lookin' for somethin'  
Somethin' to fill in the holes  
We think a lot but don't talk much about it  
'Till things get out of control, oh

How do I know when it's love?  
(I can't tell you but it lasts forever, ooh)  
How does it feel when it's love?  
(It's just somethin' you feel together)  
(When it's love, yeah)

You look at every face in a crowd  
Some shine and some keep you guessin'  
Waitin' for someone to come into focus  
Teach you your final love lesson

How do I know when it's love?  
(I can't tell you but it lasts forever)  
How does it feel when it's love?  
(It's just something you feel together, ooh)

Oh, when it's love  
Oh, you can feel it, yeah  
Nothin's missin', aww

Yeah, you can feel it  
Oh, when it's love  
When nothin's missing, aww

How do I know when it's love?  
(I can't tell you but it lasts forever)  
How does it feel when it's love?  
(It's just something you feel together, hey)

How do I know when it's love?  
(I can't tell you but it lasts forever)  
(When it's love, ooh)

Ooh, when it's love  
You wanna feel it in your heart  
And there ain't no doubt about it  
We'll make it last forever

[Incomprehensible]  
When it's love  
It's got to be love

We'll make it last forever  
When it's love  
Watch out pal  
You feel it  
Can't you feel it? Yeah
