She - She flys without no feathers  
A fool to try and catch her  
Well I don't know  
'Cause I don't know - I'm a fool  
Yeah, a visionary's daughter  
She don't care that you want on her  
She'll kill you once  
You won't mind  
You'll ask her twice

Hey hey rocket boy  
Gotta lotta life behind her  
Hey hey mockingbird girl  
Gotta fly don't let him hold you

You were born a lucid flower  
A tulip and I pulled her  
I was born to play the fool  
Unlike you  
No sex  
I'm bored with anticipation  
This love song radio station  
I guess you'll sleep  
I'll count sheep  
And watch you dream...

So let's make a run and buy a rocket 'copter  
I bought it from a crooked copper  
Her breath it smelled like a beer  
A warm beer  
A warm beer

Hey hey rocket boy  
Gotta lotta life behind her  
Hey hey mockingbird girl  
Gotta fly don't let him hold you

Hey hey rocket boy  
Gotta lotta life behind her  
Hey hey mockingbird girl  
Gotta fly don't let him hold you

Hey hey mockingbird girl  
Gotta fly don't let him hold you  
Down
