(Stella)

I'm am angel, flying to your crone
I'm so lonely, listen to my Voice

(mohammad)

Stella i've always loved you
Do not make me cry, with out you am down
Feeling so unloved please come back
All we can do is fly like away, shining star that would lights us apart

(Stella)

I'm an angel, flying to your arms
I'm so lonely, wishing you would come
one and only , broken angel
Come and save me before I fall apart

(Mohammad)

Wherever you are, you are with me
You are my only love, you are crazy
Dont you know that, you are my life?
Come back to me! And i will fly, fly

(stella)

I'm an angel , flying through your crone
I'm so lonely, listen to my voice
one and only , broken angel
Come and save me before I fall apart

(stella)
