and no no no don't let it go  
cos hommie you stop and the shit is gone (x2)

### VERSE 1

oh shit, what the hell, get the fuck on your feets  
now do you wanna be the man you see in your dreams  
or you just wanna be a loser with nothing to loose  
get up now push push till the shit is yours  
don't sit don't stop, you got work to do,  
now you thinking what i'm thinking  
while you're doing what you're doing  
or you just acting like a dummy hoping luck turns bright  
damn nigga you just need to go think again,  
lifes tough so what, you wanna cry like a baby thats  
fine go quit  
you're a loser for life, i got my future in my hands and  
i shape the shit  
fuck quitting, moving on is the choice i made  
i'm gonna struggle to the end, you can come if you  
want,  
but if you don't shit nigga, i'll feel sorry for you  
cos i'll be smiling in the end  
and you'll be weeping out your eyes begging for a  
second chance  
but the ship just sailed

### CHORUS:

if you want it, go get it  
don't sit, don't stop  
go boy go girl till the shit is yours  
and no no no don't let it go  
cos hommie you stop and the shit is gone (x2)

### VERSE 3

i wanna be a surgeon but i'm scared of blood  
i wanna fly a plane but i'm scared of heights  
so they all hate my music now i'm quitting rap  
fuck that i'll be pushing till the heavens fall  
kiss my ass if you hate any choice i make

i made my fucking choice and even if i'm wrong  
it's my life baby go live your life,  
and i don't give a fuck if you've got my back  
cos i own my life and i rule my life  
see what's meant to be, is meant to be  
i meant to be great so i'm running to the end  
and if you can't live your life don't mess with mine cos  
it's worth a lot  
and in the fucking end you'll be down down down  
but i'll be jumping like a baby making loud fuckin  
noises  
screaming i made it at last and where the hell are you  
oh, hiding like a coward

CHORUS:

if you want it, go get it  
don't sit, don't stop  
go boy go girl till the shit is yours  
and no no no don't let it go  
cos hommie you stop and the shit is gone (x2)
