"Higher"

Visit "[Higher](#)" on MotoLyrics.com

What you see

Is all that you can get from me

All I feel

Is hunger and anxiety

Tell me why

You're acting like you're oh so shy

After all

You shouldn't hesitate no more

(Believe me)

This a night for lovers This a night for lovers

It's up to you and me now There's nothing we should
cover

Just say me that, just say me that you want Just say
me that, just say me that you want

LET ME TAKE YOU HIGHER

THAN EVER BEFORE

FLY AWAY FROM IT ALL

SET YOUR BODY FREE

YEAH, LET ME TAKE YOU HIGHER

OPEN UP EVERY DOOR

ON OUR WAY TO WHERE WE WANNA BE

NOTHING HERE CAN STOP US, LETS TAKE A CHANCE

SO JUST FACE THE RHYTHM AND DANCE

LET ME TAKE YOU HIGHER

WELL ITS TIME TO LET GO

CAUSE I CANT WAIT ANYMORE

Turn me on

Forget about whats right or wrong

Its so fine

To feel your body next to mine

So much more

Is waiting by the secret door

Wait and see

Theres magic just for you and me

(Believe me)

This a night for action

So give me your reaction

Just say me that, just say me that you want
