You're once
You're twice (you're twice)
You're crossing my mind
Once and again, baby

You and I
Is something never left behind
I do believe
You're always on my mind
Feels like we are tight together
And though we have tried
Tried to regloose
But I don't know what to do

You're once (you're once)
You're twice (you're twice)
You're crossng my mind
Once and again, baby
I'm trying to recall that when
I'm once (I'm once)
I'm twice (I'm twice)
I'm way out of line
Our love's a million more
Than once and twice
(You're once, you're twice)

Ooooh

You and I
Like everything we did was blind
But still we tried
To keep an opened mind
(To keep an opened mind)
We finally left each other
Baby I've tried to leave you behind
But I never will forget

You're once (you're once)
You're twice (you're twice)
You're crossng my mind
Once and again, baby

I'm trying to recall that when
I'm once (I'm once)
I'm twice (I'm twice)
I'm way out of line
Our love's a million more
Than once and twice
(You're once, you're twice)

Don't know why
(Don't know why)
Our love was not forever
But you and I will reunite
(Keep an opened mind)

You're once
You're twice
You're crossing my mind
Once and again, baby

You're once (you're once)
You're twice (you're twice)
You're crossing my mind
Once and again, baby
I'm trying to recall that when
I'm once (I'm once)
I'm twice (I'm twice)
I'm way out of line
Our love's a million more
Than once and twice
(You're once, you're twice)

(You're crossing my mind)
(Once and again, baby)
(I'm trying to recall that when)
(I'm once, I'm once)
(I'm twice, I'm twice)
(I'm way out of line)
(Our love's a million more)
(Than once and twice)
(You're once, you're twice)

(You're twice)
(You're crossing my mind)
(Once and again, baby)
(I'm trying to recall that when)
(I'm once, I'm once)
(I'm twice, I'm twice)
(I'm way out of line)
(Our love's a million more)
(Than once and twice)
