am so lonely breaking away  
am so lonely listen to my voice

ohh whoa oh whoa oh

girl everywhere i  
seen your greatest gift  
from heavent past  
past our love to be ,great as brand new  
take me away make me feel good

am so lonely breaking away  
am so lonely listen to my voice  
one and only breaking away  
come and save me before i fall apart

girl girl dont tryna take me away  
love me tonight take me away  
to lovely place like shining gold or love  
weather is true love me all the way up

am so lonely breaking away  
am so lonely listen to my voice  
one and only breaking away  
come and save me before i fall apart

am so lonely  
am so lonely  
am so lonley  
am so lonely  
am so lonely  
am so lonely

am so lonely breaking away  
am so lonely listen to my voice  
one and only breaking away

come and save me before i fall apart  
am so lonely breaking away  
am so lonely listen to my voice  
one and only breaking away  
come and save me before i fall apart

am so lonely  
am so lonely  
am so lonely  
am so lonely  
am so lonely  
am so lonely
