Mohammad

we wernt meant to be  
together for eternity  
but something came over me  
i wished it was to be with you  
many kiss i give to you  
and if i ever get back to this time  
i will not act like a fool

angel everywhere ive seen yea round  
there is somthing jusy missing you  
girl gues like we were alone  
the sun rise shine through your bride  
angel just take my hand and just let me go

Emanuel sosokay:

this wasnt just menat to be  
you are comeing abck to me  
cause this is what is love  
cause this is what is love  
i know your more afrid  
than i'll say i shell waite  
cause this is what is love  
cause this is what is love

Mohammad :

remember things we have done  
its just the start of love  
whoa oh

if i ever get back to you

this time i will not let you go  
just let it go

cause this is what is love
