(clari)

so babie i will waite for you
if i dont know what il sign in blue
now tell me where were you all time
if it takes the rest of my life

baby i will waite for you
if you thinking am finding just into
i really need you in my life
no matter what i have to do
ill waite for you

(mohammad)

it was cute the first time we met
at the fire stearing at you
telling eachother about out past
what an amazing moment
being with you its being with me
takeing all the smile i see in

(claris)

wont you telling me it wont be in love
so baby i will waite for you
if i dont know what il sign in blue
so tell me where were you all night
if it takes the rest of my life
baby i will waite for you
if you think am finding just you
i will be needing you in my life
no matter what i have to do

il waite for you
