I finally found someone  
That knocks me off my feet  
I finally found the one  
That makes me feel complete

It started over coffee  
We started off as friends  
It's funny how from simple things  
The best things begin

This time it's different  
It's all because of you  
It's better than it's ever been  
'Cause we can talk it through

Ooh, my favorite line  
Was can I call you sometime  
It's all you had to say to take my breath away  
This is it

This is it, I finally found someone  
Someone to share my life  
I finally found the one  
To be with every night

'Cause whatever I do  
It's just got to be you  
My life has just begun  
I finally found someone

Ooh someone  
I finally found someone

Did I keep you waiting?  
(I didn't mind)  
I apologize  
(Baby that's fine)

I will wait forever  
Just to know you were mine  
Girl I love your hair  
(Are you sure it looks right)

I love what you wear  
(Isn't it too tight?)  
You're exceptional  
I can't wait for the rest of my life

This is it, I finally found someone  
Someone to share my life  
I finally found the one  
To be with every night

'Cause whatever I do  
It's just got to be you  
My life has just begun  
I finally found someone

Oh, my life has just begun  
I've finally found someone  
And whatever I do  
It's just got to be you

Oh, my life has just begun  
I've finally found someone
