Well, the bigger the city, well, the brighter the lights
Bigger the dog, well, the harder the bite
I don't know where you've been last night
I think mama, you ain't doin' right.

Say I know a little
I know a little 'bout it
Now I know a little
Now I know a little 'bout it
I know a little 'bout love
Baby, I'll guess the rest.

Well, my eyes don't read them daily news
'Cause it ain't hard to figure where people get the blues
They can't dig what they can't use
If they stick to themselves they'd be much less abused.

I know a little
Lord, I know a little 'bout it
I know a little
And I know a little 'bout it
I know a little 'bout love
But baby, I'll guess the rest.

--- Instrumental ---

Well, if you want me to be your only man
Said, "Listen up mama, teach you all I can
Do right baby, do by your man
Don't worry mama, teach you all I can."

Say, I know a little
Lord, I know a little 'bout it
I know a little
Lord, I know a little 'bout it
I know a little 'bout love
But baby, I'll guess the rest.

Sure, I know a little 'bout love
Baby, I want your best...
