You are the love of my life
And you are the reason I'm alive
And baby, baby, baby
When I think of how you saved me
I go crazy
I've never known love like this
And it fills me with a new tenderness
And I know, I know, I know
You're in my heart, you're in my soul
You're all I can't resist
And I need to tell you
The first time I held you
I knew you are the love of my life
I spent a lifetime waiting
Always hesitating until you
I was lost so deep inside my shell
'Til you came and saved me from myself
Now all I really know
Is I need you
And you are the love of my life
All the joy and tears that I cry
And baby, baby, baby
You don't have to say a word
I see it in your eyes
As we stand together
I promise forever
'Til the day that I die
You are the love of my life
I spent a lifetime waiting
Always hesitating until you
I was lost so deep inside my shell
'Til you came and saved me from myself
Now all I really know
Is I need you
And you are the love of my life
All the joy and tears that I cry
And baby, baby, baby
You don't have to say a word
I see it in your eyes
You are the love of my life
You are the reason I'm alive
