I played with love, I thought I was a sophisticated kind  
I looked at life like modern lovers do  
It's a game, I said, from bed to bed, never hurts these  
days  
But now the joke's on me since I lost you

'Cause I'm playing Hank Williams on the jukebox  
Order up ole whiskey at the bar  
Through my tears, I'll light another lucky  
I've got a real old-fashioned broken heart

I'd been around, in and out of lover's arms before  
Thought it was just for fun, this day and time  
"Love", I said, "Is just in your head, you don't feel it any  
more  
But losing you has made me change my mind"

'Cause I'm playing Hank Williams on the jukebox  
Order up ole whiskey at the bar  
Through my tears, I'll light another lucky  
I've got a real old-fashioned broken heart  
I've got a real old-fashioned broken heart
