I know mama loves me, I reckoned dad
He thought I was a pretty good kid
I been blamed but I'm not ashamed
Of a couple things I did

I learned the golden rule before I started school
Like every little youngin? should do
But what am I worth, here on earth
If I ain't worth nothin? to you

What am I worth, here on earth
Darlin? if I can't have you
I just can't find no peace of mind
With anything that I do

I don't know why you make me cry
But honey, won't you give me a clue
What am I worth, here on earth
If I ain't worth nothin? to you

I might get sent to be President
I'm sure, I could do it for you
It would feature my face all over the place
For all the good things I do

I might get my name in the hall of fame
Or even a book of who's who
What am I worth, here on earth
If I ain't worth nothin? to you

What am I worth, here on earth
Darlin? if I can't have you
I just can't find no peace of mind
With anything that I do

Well, I don't know why you make me cry
But honey, won't you give me a clue
What am I worth, here on earth
If I ain't worth nothin? to you

Well, what am I worth, here on earth
What am I worth, here on earth

What am I worth, here on earth
If I ain't worth nothin' to you
