I got you under my skin a long
time ago, Just a little tatoo to let
the world know that there'd never
be no one for me but you.
But you turned out to be a bad heart
ache and I found someone to take your
place, Oh what am I gonna do with your
tatoo?

Chours

Oh it won't wash off, or fade away
and i'm stuck with you till my dyin
day, it's just a picture of a girl in her
birthday suit, with her cowboy hat and
her cowboy boots. I could go to the man
and have you earased, or have him put a
mustache on your face, Oh what am I gonna
do with your tatoo?

When my baby see's you she starts to cry,
and I tell her I love her and she say's it's a
lie, Cause she thinks your the one I'm dreamin
of. Then she gets mad at me and pounds on you
untill my arm turns black and blue. Hey what am I
gonna do with your tatoo?

Chours

Oh it won't wash off, or fade away
and i'm stuck with you till my dyin
day, it's just a picture of a girl in her
birthday suit, with her cowboy hat and
her cowboy boots. I could go to the man
and have you earased, or have him put a
mustache on your face, Oh what am I gonna
do with your tatoo?

It won't leace me like you did,
what am I gonna do with your
tatoo?
