I'd walk one-thousand miles

[Pause]

Just to see you smile

[Pause]

Again

Ohhh your eyes

Even more

[Pause]

beautiful

[Pause]

than the sunrise

Tonight, when you rest in my mind

Oh my heart, will stop and beat

And your love

In the shape of your mouth and the form of your body

In rest of my mind

Oh you stood by us

Alyssa

Our love

Built from scratch

Doesn't have to relax

Things like you

Come once and true

In the collar of grace

Ohhhh

Tonight, when you rest in my mind

Oh my heart, will stop and beat

And your love

In the shape of your mouth and the form of your body

In rest of my mind

Oh you stood by us

Alyssa

I will love you from the night

I won't stop in the day

I will tell everyone

About our love

Tonight, when you rest in my mind
Oh my heart, will stop and beat
And your love
In the shape of your mouth and the form of your body
In rest of my mind
Oh you stood by us
Tonight, when you rest in my mind
Oh my heart, will stop and beat
And your love
In the shape of your mouth and the form of your body
In rest of my mind
Oh you stood by us
And I'll stand by us
Alyssa

I will stand by us
I will stand by us
Alyssa
And I'll stand by us
I will stand by us
Stand by us
Alyssa
