Sam Nicosia

When was the time we needed the most
What was the thing you needed to boast
What were the chances you needed to tell
And why don't you tell me you're under a spell
'Cause you like him, but you didn't care
I told you before that, love ain't fair

'Cause you love him
You don't like me
You cheated them
Like you treated me
Love ain't fair babe
Love ain't fair
You don't need to tell me, how to care

Why was he the one you needed to love
Before you had peace like a dove
I thought you were my soul mate
But for her now I'll have to wait
You brightened my life so now I say
Why don't you come back to me now babe

'Cause you love him
You don't like me
You cheated them
Like you treated me
Love ain't fair babe
Love ain't fair
You don't need to tell me, how to care

There was someone else in your life
He's the one I despise
Now I see everything plain and clear
I find someone else to be near

'Cause you love him
You don't like me
You cheated them
Like you treated me
Love ain't fair babe

Love ain't fair
You don't need to tell me, how to care

'Cause you love him
You don't love me
You treated him
And you cheated me
Love ain't fair baby
Love ain't fair
You don't need to tell me, how to compare
