Now my parents are leaving
They don't know what I'm seeing
In my head
Tonight

There goes the doorbell ringing with guests
And this party would be the best

Now the girls and boys
Just make some noise
At the party
The party
Now the girls and boys
Just make some noise
At the party
The party
Yaaaaa

Now look who's comin' through
Into the room
At the party (party)
It's me comin with the freaking phone
Quieting down the party

Parents on the phone
Asking "f&ç&,¬Ã..." How's the home?f&ç&,¬Ã,Â
They hear some noise
They're coming home!!
Now the girls and boys
Just make some noise
At the party
The party
Now the girls and boys
Just make some noise
At the party
The party
Yaaaaa

Now everyone's leaving
The huge mess I'm seeing
Shit how am I gonna clean this up
I'm grieving

A little while later my parents pull in
Well I just finished cleanin'

They come in
And in amazement
The house is freaking clean
