Hey  
Killer Queen walks wearily down the street  
With her brim pulled way down low  
Ain't no sound but the sound of her feet  
Machine guns ready to go

Are you ready, are you ready for this  
Are you hanging on the edge of your seat  
Out of the doorway the bullets rip  
To the sound of the beat

Another one bites the dust  
Another one bites the dust  
And another one gone  
And another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

How do you thing I'm gonna get along  
Without you when you're gone  
I take you for everything that you've got  
And kick you out on your own  
Well, are you happy, are you satisfied  
How long can you stand the heat  
Out of the door way the bullets rip  
To the sound of the beat  
Ha

Another one bites the dust, oh yes  
Another one bites the dust  
And another one gone  
And another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

Another one bites the dust  
Another one bites the dust, hey, hey  
Another one bites the dust  
Another one bites the dust, hey, yeah

Oooh, shout

There are plenty of ways that you can hurt a man  
And bring him to the ground  
You can beat him  
You can cheat him  
You can treat him bad and leave him  
When he's down  
But am I'm ready, yes I'm ready for you  
I'm standing on my own two feet  
Out of the doorway the bullets rip  
Repeating to the sound of the beat  
How, huh

Another one bites the dust, oh, yeah, yeah, yeah, yeah,  
yeah  
Another one bites the dust  
And another one gone  
And another one gone  
Yes another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust  
Ooh, yeah

Another one bites the dust  
Another one bites the dust, hey, hey  
Another one bites the dust  
Another one bites the dust, hey, yeah, yeah, yeah,  
yeah, yeah  
Ha, ha, ha, ha
