Gallileo: Mama, just killed a man
Gallileo: Put a gun against his head
Gallileo: Pulled my trigger now he's dead
Gallileo: Mama, life had just begun
Gallileo: But now I've gone and thrown it all away

Gallileo: Mama, ooh, ooh, ooh, ooh
Gallileo: Didn't mean to make you cry
Gallileo: If I'm not back again this time tomorrow
Gallileo: Carry on, carry on, as if nothing really matters

Scaramouche: Too late, my time has come
Scaramouche: Sends shivers down my spine
Scaramouche: My body's aching all the time
Scaramouche: Goodbye everybody - I've got to go
Scaramouche: Gotta leave you all behind and face the truth
Gallileo: Mama, ooh, ooh, ooh, ooh (anyway the wind blows)
Gallileo: I don't want to die
Gallileo: I sometimes wish I'd never been born at all

Killer Queen: So you think you can stone me and spit in my eye?
Killer Queen: So you think you can love me and leave me to die?
Oh, baby, can't do this to me baby
Just gotta get out - just gotta get right outta here

Oooh yeah, oooh yeah
Gallileo: Nothing really matters
Scaramouche: Anyone can see
Gallileo: Nothing really matters - nothing really matters to me

Anyway the wind blows
