It's a beautiful day  
The postman delivered a letter from your lover  
Only a phone call away  
Tried to track him down but somebody stole his  
number  
As a matter of fact  
You're getting used to life without him in your way  
It's so easy now, cos' you got friends you can trust

Friends will be friends  
When you're in need of love they give you care and  
attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hand, friends will be friends  
Right till the end
