Gallileo: Here we stand or here we fall
Gallileo: History won't care at all
Gallileo: Awake the dead, fight the fight
Gallileo: Lady Mercy won't be home tonight
Both: You don't waste no time at all
Gallileo: Don't hear the bell but you answer the call
Both: It comes to you as to us all
Scaramouche: You're just waiting for the hammer to fall, hey
Gallileo: Hey
Scaramouche: Yeah
Gallileo: Yeah, the hammer to fall

Scaramouche: Oh every night, and every day
Scaramouche: A little piece of you is falling away
Scaramouche: But lift your face, the western way, babe
Scaramouche: Build your muscles as your body decays

Both: Toe your line and play their game
Scaramouche: Let the anaesthetic cover it all
Both: Till one day they call your name
Gallileo: You know it's time for the hammer to fall, hey
Gallileo: The hammer to fall

Scaramouche: Rich or poor or famous for
Scaramouche: Your truth it's all the same
Both: Oh no, oh no
Scaramouche: Lock your door but rain is pouring
Scaramouche: Through your window pane
Both: Oh no
Scaramouche: Baby now your struggle's all vain

Both: What the hell we fighting for?
Gallileo: Well just surrender and it won't hurt at all
Both: You just got time to say your prayers
Gallileo: While your waiting for the hammer to
Both: Hammer to fall
Gallileo: Ey, oh
Scaramouche: Ey, oh
Gallileo: The hammer to fall
Scaramouche: Oh, yeah

Gallileo: Oh, yeah, huh
Both: The hammer to fall

Gallileo: Hey
Both: Yeah
Both: The hammer to, hammer to, hammer to fall

Gallileo: Well give it to me one more time
Scaramouche: In your dreams - mate
