Buddy you're a boy, make a big noise
Playing in the street, gonna be a big man some day
You got mud on your face
You big disgrace
Kicking your can all over the place

We will, we will, rock you, sing it kids
We will, we will, rock you, come on

Buddy you're a young man, hard man
Shouting in the street gonna take on the world some day
You got blood on your face
You big disgrace
Waving your banner all over the place, yeah

We will, we will, rock you
We will, we will, rock you

Buddy you're an old man, poor man
Pleading with your eyes gonna make
You some peace some day
You got mud on your face
You big disgrace
Somebody better put you back into your place

We will, we will, rock you, everybody
We will, we will, rock you, get out your door, y'all
We will, we will, rock you
We will, we will, rock you
Yeah

Oooh, yeah
Wow, come on
Oooh, yeah, yeah
Oooh, come on
Alright
