I dont know how to say goodbye to you,
Im not good at things that I dont want to do,
Should I pretend that I dont care,
You dont feel what I feel is there,
I dont know how to say goodbye.
I dont know how to say goodbye to you,
Im not good at things that I dont want to do,
Should I pretend that I dont care,
That you dont feel what I feel is there,
I dont know how to say goodbye.
A kiss,
Lifes this game that we play.
And a touch,
If I look away too much,
Would my feelings be discovered.
I dont know how to say goodbye to you,
Im not good at things that I dont want to do,
Should I pretend that I dont care,
You dont feel what I feel is there,
I dont know how to say goodbye.
Would you be scared,
If I just stared,
And left you on the sidewalk,
Should I smile and just walk away,
So my eyes can get jaded.
I dont know how to say goodbye to you
Im not good at thing that I dont want to do
Should I pretend that I dont care
You dont feel what I feel is there
I dont know how to say goodbye
Ohhhh
I dont know how to say goodbye
Ohhhh
I dont know how to say goodbye
To you
Ohhh to you
To you
