Making both sides of the conversation
Sometimes I don't know what to do
No, don't start talking inside my head
If you're a dead man, then stick to being dead

Living between time and choice of souls free
I'm awake but the dream keeps dreaming me
Imagination, Infiltration
The real is so fragile shaken by my dreams
I felt you coming that's all I knew
Now you've arrived and I don't know what to do

Living between time and choice of souls free
I'm awake but the dream keeps dreaming me
Up above we can see where we are
We'll jump from the highest place
And leave it all for the fall

Location, Suspension
Inches from you
Sometimes I don't know what to do

Living between time and choice why souls flew
I'm awake but my dream keeps dreaming you

Location, Suspension
Inches from you
Sometimes I don't know what to do
