Now that Iâ€™ve worn out, Iâ€™ve worn out the world
Iâ€™m on my knees in fascination
Looking through the night
And the moon's never seen me before
But Iâ€™m reflecting light

I rode the pain down
Got off and looked up
Looked into your eyes
The lost open windows
All around
My dark heart lit up the skies

Now that Iâ€™ve worn, Iâ€™ve worn out the world
Iâ€™m on my knees in fascination
Looking through the night
And the moon's never seen me before
But Iâ€™m reflecting light

Give up the ground
Under your feet
Hold on to nothing for good
Turn and run at the mean times
Chasing you
Stand alone and misunderstood

And now that Iâ€™ve worn, Iâ€™ve worn out the world
Iâ€™m on my knees in fascination
Looking through the night
And the moon's never seen me before
But Iâ€™m reflecting light
