I can't hide the truth from you  
In a closet of some kindness  
Time will sharpen it's blade  
And it will cut you when you find it  
I wish that I could lie to you baby

I've got what you don't want to hear  
How do I tell you

I tried to hold my soul back  
But it's tide is so much stronger  
Than the drifting feelings  
We want to hold a little longer  
I wish that I could lie to you baby

For far too long your lies protected you  
Now I have to hurt you with the truth

We will find love someday  
But the longer we hold on now  
The longer it will be until we find it
