why not your metling why keep saty away
inside i left
longing for a bueatfull love
you want the turth iam the same and more than you precious
any pain come on forget it and come bake to me again right away
i can't hadel seeing you mad at me Oh my soul Oh from what i am in
answer me tell me why are you quite
to make you forgave me what should i do

why not iam not in you mind
why you changed what happened yo you
who is trying to hide love it show is their eyes
you want the turth it shows in your eyes
everything on you tell's me where are you
your saying no abd reject me heart but your waiting for it

i can't hadel seeing you mad at me Oh my soul Oh from what i am in
answer me tell me why are you quite
to make you forgave me what should i do
