Song by Res

If only you believe like i believe baby
we'd get by
if only you believe in miracles baby
so would i
if only you believe like i believe baby
we'd get by
if only you believe in mircales baby
so would i

I might have to move heaven and earth
to prove it to you baby
so we're making love like
you can feel the power
and i feel the power
then there' s really nothing we cant do
if we wanted to ohh
then you know we'll exist in the stars
it'd be so easy ohh
all we got to do is get a little faith in you

If only you believe like i believe baby
we'd get by
if only you believe in miracles baby
so would i
if only you believe like i believe baby
we'd get by
if only you believe in mircales baby
so would i

i can hear windmills and rainbows
whenever you're walking with me
and i feel like swirling and dancin'
whenever you're walking with me
you ripple like a river when i touch your lips
when i pluck your body like a string
and i stop dancing beside you
it make me want to shake oh baby
oh i need you oh baby
i need you i need you my baby (oh yeah, alright)

baby we can do it tonight (oh yeah) oh yeah (alright)
alright
baby we can do it baby we can do it

If only you believe like i believe baby
we'd get by
if only you believe in miracles baby
so would i
if only you believe like i believe baby
we'd get by
if only you believe in mircales baby
so would i
