If you need water
I'm your rain
If you need fire
I'm your flame

If you're resisting
To go or stay
Let all the angels
Take you away

I will carry you to the end
When life is broken
All will mend

If where I'm walking
Isn't far enough
Then I'll walk farther
I'll walk farther

If you need water
(I'm your rain)
I'm your rain

If you need fire
(I'm your flame)
I'm your flame

I hope our children
Remember this good

We threw those ashes
And there we stood
And there we stood

As tears fall
Off our faces
As tears fall
Off our faces
Off our faces

Off our faces
As tears fall

Off our faces
As tears fall
Off our faces
