You had a job as a dancing waitress
That's what you said to me
Town to town like a falling angel
For every lock you have a key

Fall in love like a foreign movie
Even come with your own lines
You're better off without directors
'Cause you're doing just fine

You could be a movie actor
You act like nothing's wrong
I wish this time would just go faster
I've been here too long

Have you been lost? Have you been found
By something in the soul?
You're better off that no one knows
That this is your finest role

Now it's dark and just too late
To say you're by my side
No more chances left to take
You can fake another cry

You could be a movie actor
You act like nothing's wrong
I wish this script would just go faster
I've been here too long

Have you been lost? Have you been found
By something in the soul?
You're better off that no one knows
That this is your finest role

You could be a movie actor
You act like nothing's wrong
I wish this time would just go faster
'Cause I've been here

You could be a movie actor
You act like nothing's wrong

You could be a movie actor
