Vanessa:

Oooh, yeah,
Sometimes I feel like I'm going out of my mind,
Boy the way you do me is a damn crime,
But then you smile at me and it's alright,
With you there ain't any in between...

Every time that I walk out the door
I tell myself I can't take it no more
There's a part of me won't let you go
I keep saying yes when my minds' saying' no...

Chorus:

Me and my heart we got issues (issues)
Don't know if I should hate you or miss you
Damn I wish that I could resist you
Can't decide if I should leave you or kiss you,
Me and my heart we got issues, issues, issues
We got issues, issues, issues.

Rochelle:

It's so wrong; boy you leave me hangin' for so long
You empty out my love until it's all gone
You change the words but still it's the same song
I'm tired of the melody

Vanessa:

Change my number and throw out your clothes
But my feelings for you, they still show
I keep building a wall round my heart
But then I see you it all falls apart...

Chorus:

Me and my heart we got issues (issues)
Don't know if I should hate you or miss you
(Damn I wish) Damn I wish that I could resist you
(Can't decide) can't decide if I should leave you or kiss
you,
(Me and my heart)Me and my heart we got issues,
issues, issues We got issues, issues, issues.

Una (and Mollie):
Why fight it, (why fight it)
Can't hide it (can't hide it)
Truth is I think I like it
Confusion, illusions (confusion, illusions)
Still I don't know which way to go,

Vanessa:
Me and my heart we got issues
Don't know if I should hate you or miss you

The Saturdays:
Damn I wish that I could resist you
Can't decide if I should leave you or kiss you,
Me and my heart we got issues, issues, issues (Me and
my heart)
Don't know if I should hate you or miss you (We got to
work this thing out)
Damn I wish that I could resist you (I don't know)
Can't decide if I should leave you or kiss you, (can't
decide if I)
Me and my heart we got issues, issues, issues (issues)
We got issues, issues, issues.
We got issues, issues, issues (me and my heart)
We got issues, issues, issues

to which way to go)
Don't know if I should hate you or miss you (I don't
know)
