I'm looking for something that cannot be reached  
I'm searching for something that they cannot teach  
To answer my questions I look to the past  
I wonder how long my journey will last  
With eyes that cannot see  
With ears that cannot hear  
I'm blinded by my thoughts  
I'm deafened by my fears  
With a bottle of Tequila and a hand full of pills  
I walk into the desert to the Mexican hills  
My body's beside me. My mind reads the sky  
I shed this life like lizard skin  
I know it's time to die
