When the water flows down  
From her ocean of sadness  
Look for me as I drown  
In the sea of broken hearts

Throw me nets, throw me hope  
Throw me anything to hold  
I'm sinking fast like a stone

Let the tears wash away  
All the sad winds of sorrow  
I was there for a while  
Splashing through the sky

Another storm, another crash  
As the currents pull me under  
Look for me as I drown  
In the sea of broken hearts

Throw me nets, throw me hope  
Throw me anything to hold  
I'm sinking fast like a stone  
Like a stone

Throw me nets, throw me hope  
Throw me anything to hold  
I'm sinking fast like a stone

How I wish our tiny boat  
Cared enough to stop sinking  
Look at me as I drown  
In the sea of broken hearts

Let me know if she comes  
If she comes to say goodbye  
I waited there for a while  
Splashing through the sky

On a ship far away  
Sailing straight into the wind  
In the waves on the sea  
The sea of broken hearts

The sea of broken hearts  
The sea of broken hearts  
The sea of broken hearts  
Sea of broken hearts  
The sea of broken hearts
