Pretty Little Girl Your Flowers Will Fade
With The Promises You Made
In The Tree Of Our Shade
Pretty Little Girl Your Dreams Are All Gone
You've Hurt Everyone
Is It Now Time To Run?
Pretty Little Girl Your Face Is So Sweet
But It Knows How To Cheat
It Could Set Prisoners Free
Pretty Little Girl So Fragile And Warm
But Inside You Are Torn
Your Edges Are Worn
Pretty Little Girl Your Flowers Will Fade
With The Promises You've Made
In The Tree Of Our Shade
