I woke up in the morning
All that I could see
Fish are looking at me
All these slimy things

Floating to the bathroom
To find some of my friends
Really what I hoped for
The dream should never end

Underwater people
Underwater people
Underwater people
Underwater people

Went down to Tulagi's
To find some of my friends
Underwater people
Around me till the end

Swimming in a fish bowl
Quite a funny thing
All these freaks around you
All my friends are fish

Underwater people
Underwater people
Underwater people
Underwater people

Woke up underwater
All that I could see
Tulagi freak around me
All my friends and me

Underwater people
Underwater people
Underwater people
Underwater people

Underwater people
Underwater people

Underwater people
Underwater people
