Song by Christina Milian

Life is what you make it  
At least that's what they say  
Well I think I'm gonna make it  
Fulfill my dreams one day  
I feel this fire growin' deep inside of me  
I'm so inspired knowin' that it's my destiny

I breathe like a champion  
I dream I'm a champion  
I see I'm a champion  
It's meant to be  
My wills gettin' stronger  
I can't wait any longer  
I'm singin' a song that's inside of me

'Cause I'm a believer  
I know that I can make it  
No matter what they say  
So I'm a believer  
The future is now  
It starts today

(I keep my head up)

Everyday I'm waitin'  
Tryin' to find the patience  
So close I can taste it  
But sometimes it's so hard  
But I'ma keep on pushin'  
And I'ma keep on fightin'  
And I'ma keep on tryin' because I've come too far

I breathe like a champion  
I dream I'm a champion  
I see I'm a champion  
It's meant to be  
My wills gettin' stronger  
I can't wait any longer  
I'm singin' a song that's inside of me

'Cause I'm a believer  
I know that I can make it  
No matter what they say  
So I'm a believer  
The future is now  
It starts today

The future is now  
It starts today
