All day long 'til the early morn, you got your mind on  
him

Who's got their mind on you  
And while he creeps on you, I'm diggin' on you  
So crazy, sexy, cool, girl he must be a fool

If you spent last night crying on your pillow  
It's on tonight, tonight  
If he leaves you hanging on the weekend  
It's on tonight, tonight

If you put me on, I will guarantee, you won't be sorry,  
no  
'Cause I'm the man you need  
Ain't trying to player hate, but I just can't wait  
To show that I can do all the things that Joe won't do

If you spent last night crying on your pillow  
It's on tonight, tonight  
If he leaves you hanging on the weekend  
It's on tonight, tonight

Baby, it's just the thing that you want  
I'm everything that your seeing, baby

If you spent last night crying on your pillow  
It's on tonight, tonight  
If he leaves you hanging on the weekend  
It's on tonight, tonight

If you spent last night crying on your pillow  
It's on tonight, tonight  
If he leaves you hanging on the weekend  
It's on tonight, tonight

I just wanna love you down  
I only want to be around  
I just wanna love you down  
Wanna be your love

If you spent last night crying on your pillow  
It's on tonight, tonight

If he leaves you hanging on the weekend  
It's on tonight, tonight

If you spent last night crying on your pillow  
It's on tonight, tonight  
If he leaves you hanging on the weekend  
It's on tonight, tonight

If you spent last night crying on your pillow  
It's on tonight, tonight
