On my own for far too long  
I know that this time in you I have a home  
And I will never let you stray away from me  
In you I finally see what it means to feel perfect  
harmony

I'll give you my all for you I'll take the fall  
I just can't understand what would make a man  
Ever let you go

Hear me call, I'll give all  
I said whatever it takes  
I'll put it all on my heart  
I'll put it all on my soul

I said whatever you need  
I promise that I'll put it all  
On my heart, on my soul  
I'll put everything on my heart

Girl, I know that you have doubts about love  
Will it ever find you again? But I'm here to say  
Don't you dare run away from what you truly need  
I've been there for you, now be there for me  
I'll be all the man that you'll ever need

Girl, I've paid the price, I've sacrificed  
Now I've finally found what I've been looking for

Hear me call, I'll give all  
I said whatever it takes  
I'll put it all on my heart  
I'll put it all on my soul

I said whatever you need  
I promise that I'll put it all  
On my heart, on my soul  
I'll put everything on my heart

Now that you're mine the lonely has gone away  
It's a brand new day, today is the start of 'til death do  
us part

I've never felt so good until you were mine  
I put this on my heart 'til the end of time

Hear me call, I'll give all  
I said whatever it takes  
I'll put it all on my heart  
I'll put it all on my soul

I said whatever you need  
I promise that I'll put it all  
On my heart, on my soul  
I'll put everything on my heart

Hear me call, I'll give all  
I said whatever it takes  
I'll put it all on my heart  
I'll put it all on my soul

I said whatever you need  
I promise that I'll put it all  
On my heart, on my soul  
Everything on my heart

Hear me call, I'll give all  
I said whatever it takes  
I'll put it all on my heart
