Yeah
Oh, no
Oh, oh
Oh, yeah
Your face, baby

Ooh, what am I to do? 'Cause visions of you be on my
mind
And I can't control it, oh, no
I, I like the way we vibe, it's on tonight, no strings
attached
Said I wanna be with you

When I look at your face
When I look at your face girl
It makes a brother go wild
Every time I look at your face

Ooh, when I'm on top of you, such a beautiful view
I like the way you call my name, oh yeah
From your eyes to your smile
The sexy lips I wanna kiss and I want all of you

When I look at your face
When I look at your face girl
It makes a brother go wild
Every time I look at your face

Another cut for the girls to make 'em feel good
To all the ladies, give me love
Another cut for the girls to make 'em feel good
To all the ladies, give me love

When I look at your face
When I look at your face girl
It makes a brother go wild
Every time I look at your face

Every time I see your pretty smile
You know that it makes a brother go wild
Every time I see your pretty smile
You know that it makes a brother go wild

When I look at your face
When I look at your face, girl
It makes a brother go wild
Every time I look at your face

When I look at your face
When I look at your face, girl
