Coolin' so coolin' coolin' me  
Coolin' so coolin' coolin' me  
Have some cool clear water  
(Drink a little drip drip drip drip drink a little)  
(Water coolin' me)

Have some cool clear water  
(Drink a little drip drip drip drip drink a little)  
(Water coolin' me)

Have some cool clear water  
Have some cool clear water  
Have some cool clear water  
(Drink a little drip drip drip drip drink a little)  
Have some water

Coolin' so coolin' coolin' me  
Coolin' so coolin' coolin' me  
Have some cool clear water  
(Drink a little drip drip drip drip drink a little)  
(Water coolin' me)

Have some cool clear water  
Have some cool clear water  
(Drink a little drip drip drip drip drink a little)  
Have some cool clear water  
Have some cool clear water  
(Drink a little drip drip drip drip drink a little)

When the heat's got you down  
Here's what you oughta  
Get yourself in that cool cool water

Oooooooooooooooooooooaaaaaaaaooooooooaaaaaaa

Coolin' so coolin' coolin' me

When I'm thirsty and I reach for a glass  
Cool water tastes like such a gas

From the mountains on down to the sea  
Cool cool water keeps on coolin' me  
Cool cool water keeps on coolin' me  
Get yourself in that cool cool water now  
Cool cool water keeps on coolin' me  
Cool cool water keeps on coolin' me
