We knew it must have been late
(tick-tock, tick-tock)
We had no time to wait
(tick-tock, tick-tock)
I went to light the fireplace
(tick-tock, tick-tock)
I planned it all this way, and
(tick-tock, tick-tock)

I snuggled close to her
(tick-tock, tick-tock)
Her heart began to purr
(tick-tock, tick-tock)
I held my breath inside, and then
(tick-tock, tick-tock)
I put my arms around her
(tick-tock)

Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo

I put that birdie away
(tick-tock, tick-tock)
His cuckoo was gone to stay
(tick-tock, tick-tock)
We both apologized for why
(tick-tock, tick-tock)

Forgave that doggone cuckoo

I went back to her side
(tick-tock, tick-tock)
I had to swallow my pride
(tick-tock, tick-tock)
The fire had almost died away
(tick-tock, tick-tock)
We just got situated
(tick-tock)

Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo

I took that clock apart
(tick-tock, tick-tock)
I broke the cuckoo's heart
(tick-tock, tick-tock)
He'll never bother us again
(tick-tock, tick-tock)
We just forgot about him
(tick-tock)

Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo (go away silly bird)
Cuckoo, cuckoo
