Honkin' honkin' down the gosh darn highway  
Tryin' tryin' to get past them cars  
Got a got a little date with an angel  
She's the one that said she'd go with me  
To see a little movie tonight  
(Honk honk honkin' down the highway)

Her folks told me that she's lonely  
And she loves me only  
She's used to running away from guys

Prayin' prayin' that she'll hold me tight (hoo!)  
And hopin' hopin' that she'll see the light  
Who cares if I gotta spend my money  
Even if I have to act funny  
To go and steal her heart away  
(Honk honk honkin' down the highway)

Take it one little inch at a time now  
'Til we're feelin' fine now  
I guess I've got a way with girls

Honk honk honkin' down the highway  
Honk honk honkin' down the highway  
Honk honk honkin' down the highway  
Honk honk honkin' down the highway  
Honk honk honkin' down the highway

Take it one little inch at a time now  
'Til we're feelin' fine now  
I guess I've got a way with girls

Prayin' prayin' that she'll hold me tight (yeah)  
(Honk honk honkin' down the highway)  
And hopin' hopin' that she'll see the light  
(Honk honk honkin' down the highway)  
Who cares if I gotta spend the night  
(Honk honk honkin' down the highway)
