I came along when he broke your heart  
That's when you needed someone  
To help forget about him

I gave you love with a brand new start  
That's what you needed the most  
To set your broken heart free

I know you cried and you felt blue  
But when I could I gave strength to you  
I'm waiting for the day when you can love again

I kissed your lips when your face looked sad  
It made me think about him  
And that you still loved him so

But you know that pretty soon I made you feel glad  
That you belonged to me  
And love began to show

He hurt you then but that's all gone  
I guess I'm saying you're the only one  
I'm waiting for the day when you can love again

He hurt you then, but that's all done  
I guess I'm saying you're the only one  
I'm waiting for the day when you can love again

You didn't think that I could sit around and let him work  
You didn't think that I could sit around and let him take  
you  
You didn't think that I could sit around and let him go  
You didn't think that I could sit back and let you go  
You didn't think
