OOOOOOOOOW

Livin' down in L.A.

Such A Beautiful day

Whoa whoa

Whoa whoa

The skies are clear

It's a beautiful day in L.A.

People in motion

Our wheels movin all kind a ways

Indoors, outdoors, in the sun

There are people everywhere havin' fun, fun, fun

And when the moon and stars come out at night

We'll know what to do when we turn out the lights

(Turn out the lights, out the lights)

The freeways there are jammed with all kind of folks on  
their bikes

With fastball surfers, their all doin' their lefts and their  
rights

Roller skating, joggin', or a fancy bike

You can get around most anyway you really like

And when the sun is down and the stars are bright

I can hardly wait to get to hold you tight

(Hold you tight, hold you tight)

OOOOOOOOOOO

Living down in L.A.

Such a Beautiful Day

Whoa, whoa

Whoa, whoa

Riding the fastlanes, and ballet in leisurely flight

People in motion the streets there a beautiful sight

In goodtimes, sunshine, you'll feel alright

We'll maybe even do an afternoon delight

You're sure to get as high as the clouds above

Participatin' in this little dance of love (dance of love,  
dance of love)

OOOOOOOOOOOW

Living down in L.A.

Such a Beautiful Day

The freeways are jammed now

The cars have disappeared from the scene

Cause' gone to work or to play

They use a whole 'nother kind of machine  
OOOOOOOOOOW  
Living down in L.A.  
Such a beautiful day
