Little bird up in a tree  
Looked down and sang a song to me  
Of how it began

Na na na na  
Na na na na  
Na na na na  
Na na na na

The trout in the shiny brook  
Gave a worm another look  
And told me not to worry  
About my life

Na na na na  
Na na na na  
Na na na na  
Na na na na

Tree in my own backyard  
Stands all alone  
Bears fruit for me  
And it tastes so good

Where's my pretty bird?  
He must have flown away  
If I keep singin'  
He'll come back someday

Dawn, bird's still gone  
Guess I'll go mow the lawn

What a day, what a day  
Ooo, what a beautiful day this is

Little bird up in a tree  
Looked down and sang a song to me

The trout in a shiny brook  
Gave a worm another look  
And told me not to worry about my life

Little bird looked down  
And sang a song to me  
A little bird looked down  
And sang a song to me  
A little bird looked down  
And sang a song to me
