(laughter)

Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away

Have you ever been in airplane
When the flyin' circus comes to town
Count your change
You can come and walk the wing with me

Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop take away an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away

Peepin' and a-hidin' in and out of the cloud
The leader lost a hanky wavin' down at the crowd
The barnstorm down but the rooster on the weather
vane

Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop take away an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away

Huffin' and a-puffin' flyin' high as she can
A patchwork quilt stretches over the land
We'll toss and tumble and sail her right in to the sun

Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away

(Loop de loop flip flop gotcha' in an aeroplane)
Loop de loop flip flop fly away
Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
Loop de loop flip flop flyin' in an aeroplane
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
(Loop de loop flip flop flyin' in an aeroplane)
Loop de loop flip flop fly away
